**BIONIC IMMIX™
FEATURE OVERVIEW**

IMMIX™ COMBINES UP TO 34 TOOLS IN ONE UNIVERSAL DESIGN

- Award-winning Bionic Wrench™ design covers 14 metric and standard wrench sizes, spanning 1/4 inch to 9/16 inch and 7 mm to 14 mm
- Includes up to 20 of the most popular types and sizes of screwdriver heads, depending on the model (slotted, Phillips, Torx , Robertson and Allen)
- Handles lock to form a powerful, ergonomic, magnetic bit driver
- Torque enhancing “pistol grip” enables user to comfortably and confidently apply the right amount of pressure to complete the work
- ImmiX™ 10x version includes two high-carbon, stainless-steel, retractable knife blades
- Comes with a durable synthetic carrying case with a leather belt loop

IMMIX™ FEATURES AWARD-WINNING BIONIC WRENCH™ TECHNOLOGY

- Combines the versatility of an adjustable wrench with the simplicity of pliers
- Patented Bionic Gripping™ technology surrounds work surface to distribute forces equally
- Wrench won't slip, round or scar work surfaces – great for softer materials
- No tricky knobs or adjustments
- Fully adjustable with a one-handed squeeze
- Efficient ratcheting by releasing, then re-gripping the object

COMFORTABLE FOR MOST SIZES AND ABILITIES

- Incorporates universal design features with enhanced ergonomics
- Fits large and small hands
- Universal orientation -- works in either hand in any position

QUALITY CONSTRUCTION

- Made in America
- Lifetime warranty
- Hardened, cold-rolled, steel-laminate construction
- Industrial-quality, electrolysis nickel or black-oxide finish resists rust, corrosion and chipping
- QS 9000 certified manufacturing
